

October 2024 Update

October has been a productive month with several behind-the-scenes efforts nearing completion. We're excited to announce the launch of our new branding, which is being rolled out. In the coming weeks, you can expect these changes to be incorporated across our website and communications channels.

We encourage you to attend the EGBC 2024 Annual General Meeting (AGM) in October, where we will provide a brief presentation on our progress towards transitioning BCSEG into a fully operational entity. Please note that the registration deadline, 12:00PM on Tuesday, October 8, 2024, to attend the AGM (either in-person or online) is fast approaching.

We look forward to meeting future members at the conference and connecting with you at our booth. We welcome the opportunity to chat and hear your thoughts on what you'd like to see from the new Advocacy Body.
